A Year on the Farm

Case Pack: 12

September 2014

Learn About Modern Farm Equipment with Casey & Friends!

A Year on the Farm introduces children to the world of modern farming, showing the tractors, combines and other equipment needed to plant and harvest the crops. The book is filled with photographs of equipment at work and a cast of illustrated characters including Casey the farmer, Tillus the worm, and a whole team of equipment characters. Casey and her farm equipment friends teach readers about the many different jobs a farmer does each season. Children will learn that modern farming involves planning for the farm year, reacting to the weather, and working hard as a team. Age grade 3+.
